- We will inform you of the consultation date and time at your email in 2-3 weeks.
- If you apply by mail, we will inform you using a return envelope.
- If there are any changes to the consultation date and time, please call your consultation staff, not by mail.

2. Elementary School Tour (from May)

- Please apply and go for an elementary school tour in your school district.
- Please check the website of the Kawasaki City Education Center about a schedule of school tours.

3. Consultation at the Education Center

- Please come to the Consultation Room with your child 5 minutes early and wait in the waiting room.
- We will welcome you at your consultation time.

What to bring on the day

- If your child have Certificate for intellectual disability or physical disability, a copy of it (with the cover removed and the front page open).
- If your child has a developmental test or doctor's diagnosis, a copy of it.
- Please confirm with the medical institution, rehabilitation center, etc.
- Your "Profile Form" (only mail application)

Consultation with Parents (in a different room from your child)

- Consultation staff will ask you about your child's growth (at home and kindergarten, etc.), diagnosis, the results of developmental tests, concerns and hopes for schooling.
- We will discuss the support and educational environment your child needs.

Observation of Your Child's Activities

- We will give your child some simple tasks, observe his/her activities individually. This is not a developmental test.

4. Listen to Your Child's Reports

- Within 2-4 weeks, a consultation staff will call you about your child's activities and the necessary support.
- Parents can hear the report in the consultation room.
- No written reports will be provided.
- If necessary, we may contact medical institutions, rehabilitation centers, kindergartens, schools, etc.

5. Individual Consultation at the Elementary School

- Parents should call the support education coordinator to schedule an appointment.
- Please bring your child and meet with the principal and the support education coordinator.
- ✓ Please use the Profile Form to tell them about your child's situation and the support provided at the kindergarten, etc.
- ✓ Please tell them about your consultation at the Education Center.
- ✓ Please ask them about the support system at the school.
- ✓ Please consult them about the support your child needs (special support class or general class).

6. Call the Education Center after Individual Consultation

- Please call the Education Center staff after individual consultation at the elementary school.

7. School Decision (School Notification Letter)

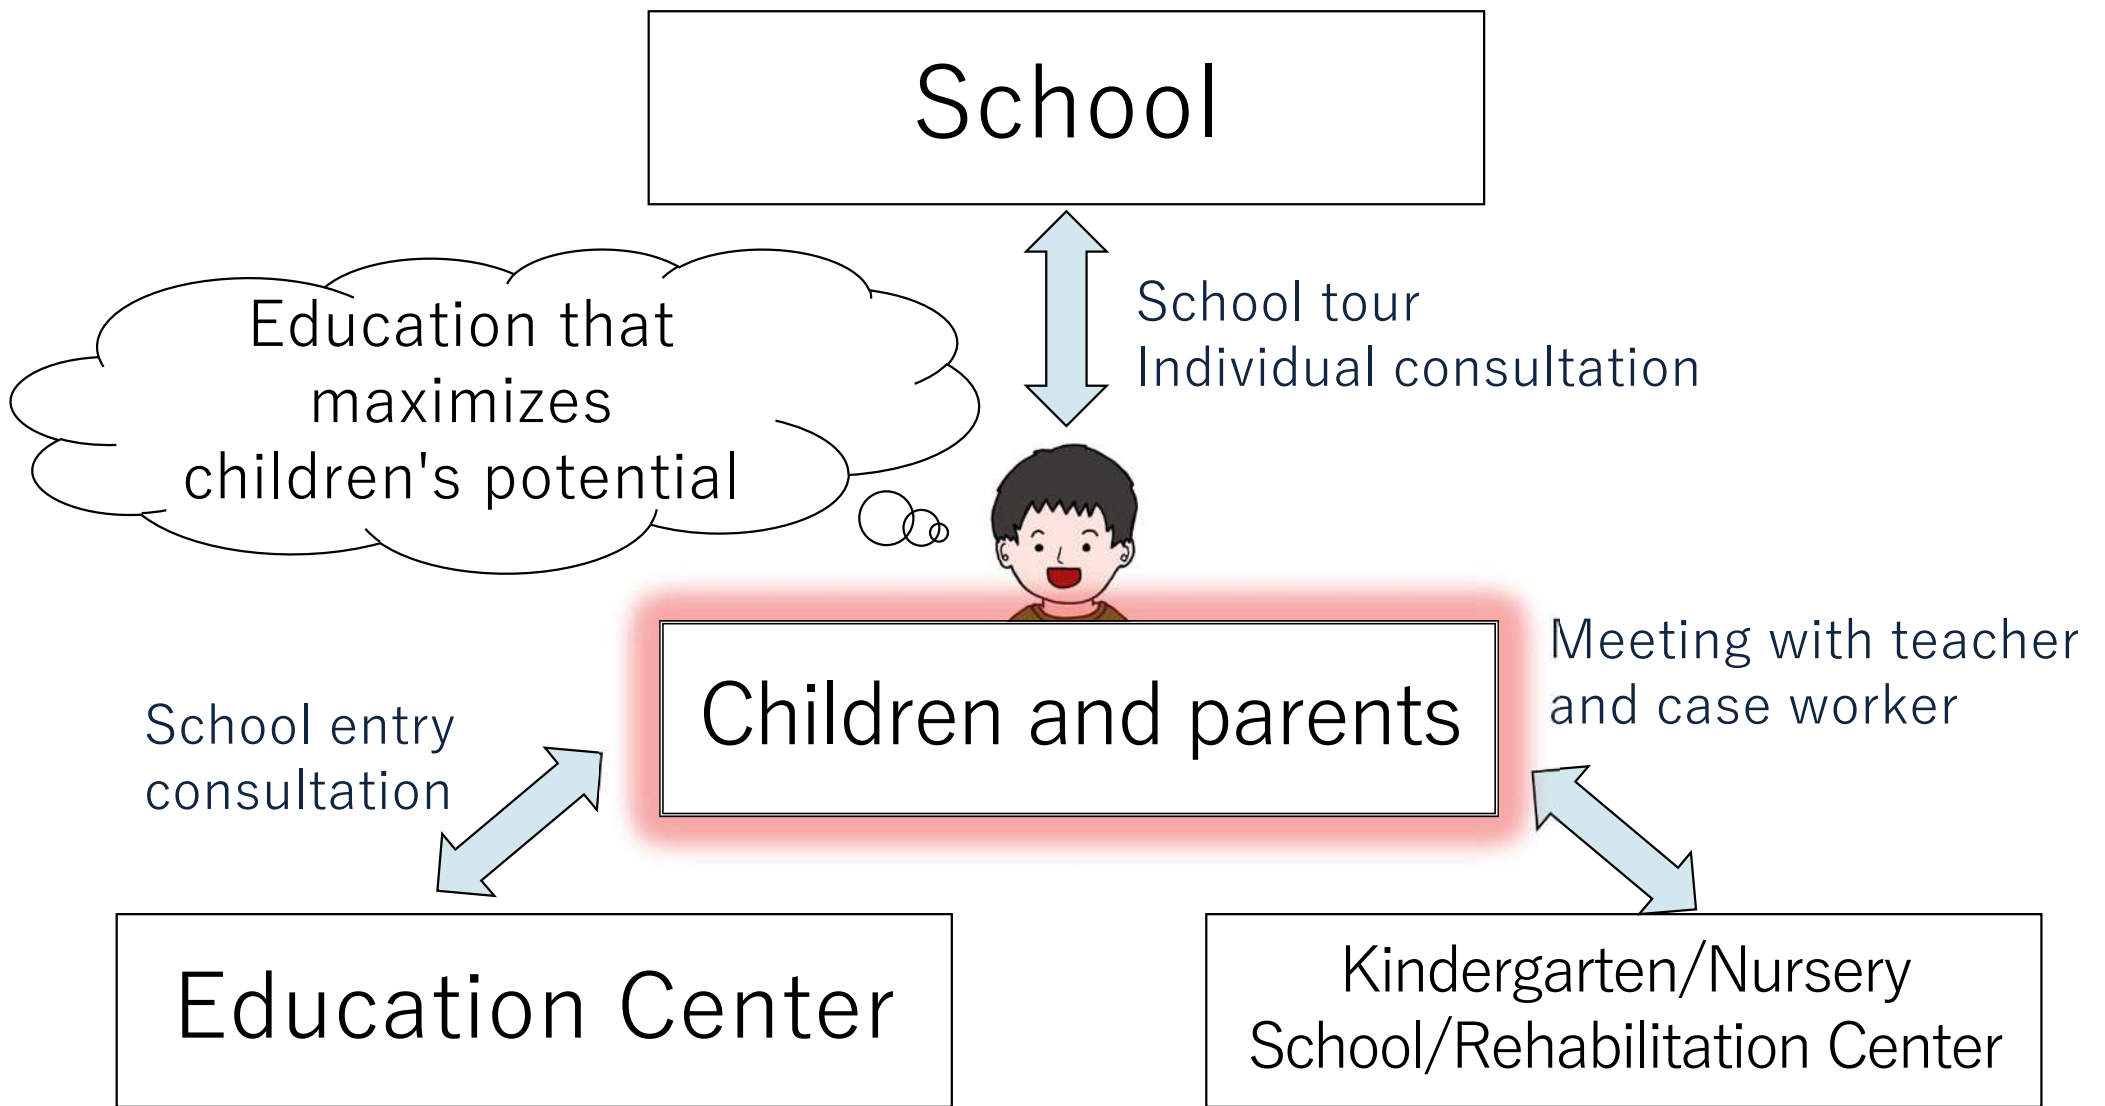

- The Kawasaki City Board of Education will make a comprehensive decision and notify the principal.
- In January, parents will receive a “Notification of Entrance Date and School”. No notification for special support class.
- If necessary, please consult with the elementary school before school entry.

After the Consultation at the Education Center

- If there are any changes to the certificate for disability, developmental tests, medical diagnoses, or medication, please contact the consultation staff at the Education Center.
- After school decision and before school entry, you can consult the Education Center if you have any concerns about future support or coordination with the school.

After the Consultation at the Education Center

- After school entry, please first consult with the school and request Education Center consultation through the school.
- The place of study that is decided at the time of school entry is not fixed.
- If you are considering changing place of learning depending on your child's development and adaptation, please consult with the school first.

Colors, Future!

いろいろって、未来。
